Meet Our Clergy

Our beloved clergy are available to our congregants to meet all of their spiritual and religious needs. We provide continuous pastoral support to ensure that we are available for celebrations, for counseling, and in challenging times. Our clergy are committed to local, national and international activities, maintaining leadership positions in a variety of prominent organizations, as well as their respective clergy organizations.

A Message from Our Clergy

B'ruchim Haba'im and welcome to North Suburban Synagogue Beth El. We are a very special place.

We are a warm, welcoming, multi-generational congregation. We are a community of learners and of teachers who engage in deep and meaningful conversation. We offer dynamic and engaging programming throughout the year for members, their children, and grandchildren. From our Scholars-In-Residence and our robust award-winning adult education program to our award-winning youth groups, from our major concerts and artistic programs, book club, and museum exhibitions, to our social action program and award-winning auxiliary organizations, there is truly something for everyone at Beth El.

We offer a full B'nai Mitzvah training program, including personalized private lessons that meet the needs of all types of learners and support opportunities for family participation. Our three congregational schools provide the best in Jewish education and serve hundreds of students. Many students also attend the local Solomon Schechter Day School and the nationally-recognized Rochelle Zell Jewish High School.

Jewish music plays a meaningful role at Beth El with a congregational choir, children's choir, synagogue band, and concerts throughout the year.

At Beth El, we seek to involve our children in every aspect of synagogue life. We take pride in creating a child-friendly atmosphere so that our youngest members feel welcome.

This is your synagogue, your spiritual home. Members help to shape this vision and maintain our tradition of partnership between staff and lay leaders through participation on our Board of Directors and our many synagogue committees. A number of our members also hold leadership positions in organizations such as the Jewish United Fund of Metropolitan Chicago, MERCAZ, Solomon Schechter Day School, Rochelle Zell Jewish High School, Women's League for Conservative Judaism International Board, Women's League Central Great Lakes Region Board, and both local and national positions with Camp Ramah.

Since its founding as the first Conservative Congregation on Chicago's North Shore in 1948, NSS Beth El has established itself as a leader in the Conservative Movement, in the American Jewish community, and in Jewish and humanitarian causes worldwide.

We look forward to meeting and welcoming you to our community!

A Place to Pray

At North Suburban Synagogue Beth El, we support a minyan each morning and evening, every day of the year. Shabbat and all Jewish holidays, both major and minor, are celebrated in meaningful ways that encourage participation by all of our congregants.

Daily Services

Religious Services provide a supportive community for saying Kaddish, for observing a Yahrzeit, for connecting spiritually and for those who wish to fulfill the mitzvah of daily prayer. A light breakfast follows the morning minyan. To enhance Jewish learning and build our Jewish community, we also offer a weekly study session, which is open to the entire congregation.

Inspiring High Holiday Services

High Holiday Services are beautifully conducted under the spiritual direction of our Rabbis, Hazzan, and Professional Choir. Services are held at both the Synagogue with the Hazzan and Choir and Highland Park High School with the Hazzan. Youth services for children three years old through 7th grade, as well as babysitting for children three years old and younger are available.

Sharing Shabbat

Kabbalat Shabbat services are held every Friday evening at 6:15 p.m., ushering in Shabbat with ruach (great spirit) and community. Several times during the year, NSS Beth El sponsors a family-focused Friday night service such as “Jeans and Jammies,” with dinner and events for children. During the summer, we take advantage of our beautiful backyard and surrounding lake view as families enjoy “Kabbalat Shabbat on the Lake” that includes a pre-Shabbat program and services.

Every Shabbat morning, our congregation comes together for Shabbat services. Worship at Beth El offers members an opportunity to share in the special occasions of their fellow congregants, including B'nai Mitzvah celebrations, Aufrufs, and Baby Namings. Throughout the year, services are enhanced by Torah study groups, Teen Minyans, and visiting scholars as well as Sisterhood, Men's Club, and Youth Community Shabbatot. At Beth El we also take pride in our Summer Services (mid-June thru mid-August) which are entirely lay-led, offering our members the opportunity to fully participate in the davening, as well as deliver a d'var Torah.

Each Shabbat afternoon (times vary), we gather together for Mincha, Se'udah Shlishit (the traditional third meal of Shabbat), zemirot (traditional Shabbat singing), a brief study session and Ma'ariv/Havdalah – one of the most beautiful times at Beth El.

We invite you to experience a Shabbat morning service at Beth El and make a connection with our warm community.

Through BEANS, participants have an opportunity to develop a lifelong relationship with Judaism through peer-led activities and programs. Utilizing an integrated format of social programs, creative lounge nights, sporting events, field trips, and conventions, with emphasis on educational and social action initiatives, we also build Jewish leaders for the future. Additionally, BEANS provides an opportunity for students from Solomon Schechter Day School and Rochelle Zell Jewish High School to come together with their public school friends and create their own Jewish community at Beth El.

Hear what members of our Beth El community have to say:

“We joined Beth El five years ago after moving from the city because we wanted a Conservative Synagogue with a vibrant preschool. We are now involved in working with other young families at Tot Shabbat. We've discovered a great community.”

“We are one of many multi-generational families at Beth El. After we got married, my husband and I knew we wanted to be active in the Synagogue. Over the years, we helped form the Young Couples Group, have both been involved in the Youth Commission and my husband in Men's Club. It's easy to become involved. Beth El was always my home, now it's home for our whole family.”

“We were empty nesters when we moved to Highland Park from out of state. We were attracted to Beth El for its world-class clergy, vibrant adult education programs, and welcoming community. We are both involved in Havurah, Sisterhood, Men's Club and many Beth El Committees. Joining this synagogue was the best decision we ever made.”

“When we moved here, we joined Beth El because we wanted to be a part of a vibrant Jewish community. Membership has meant new friends and an involvement with a community that shared values we could pass on to our children. Our children and grandchildren are now members and active in the leadership of Beth El. It's home!”
