

**Learn to Chant Torah
(for Adults!)
with *Hazzan* Barnett –
FREE**

In this eight-week class, we'll unlock the secret of chanting Torah. Using familiar texts that are always chanted in Torah "trope" — AKA "cantillation." (The *V'ahavta* and *Vayomer* - the first and third paragraphs of the *Sh'ma* - we chant every week on *Shabbat* morning.) We'll decode the melody patterns, and learn the "how" as well as the "why" of Torah cantillation. Students will select a *Shabbat Mincha* service to try out their new-found skills on a short Torah portion.

This is a perfect opportunity for parents with children in 2nd grade and up (especially those with children in *Vav* 6th Grade) to learn Torah for their child's *Bar/Bat Mitzvah*. This is also a lifelong skill!

**Thursday evenings from 6:30 to 7:30 pm. Optional – Join the *minyan* מנין at 7:30 pm.
Dates: Oct. 19, 26, November 2, 9, 16, 30, Dec. 7, 14.**
