

Just think, this could be you !

Ramah's *AMAZING* high school in Jerusalem  
**Tichon Ramah Yerushalayim (TRY)**  
is now offering a fall study abroad semester!

*September 1 - December 22, 2020*

Take advantage of this unique high school experience - an opportunity to explore Israel, meet teens from across North America and Israel, learn Hebrew, and make Israel your classroom and Jerusalem your home! In Ramah Israel's nearly 40 years of running a high school semester, TRY has transformed the lives of thousands of teens, running safe, inspiring, life-changing programs.

With camps sadly being cancelled, teens learning from home, and travel in North America limited, this may be the perfect time to spend a semester with us. Israel is currently one of the safest countries with regard to coronavirus, and we have access to world-class health care and a private, secluded campus in Jerusalem.

### **Be a part of the magic!**

*Generous financial assistance is available.*

**We offer a FALL and SPRING semester! Want to learn more?**

**Let's be in touch!**

**RSVP for our June 14th Virtual Information Session**

---

### **Fall semester is ideal for high school seniors...**

This semester will include a program designed specifically for 12th grade students, with access to college guidance counselors who will support students in their college and gap year applications.

---

## Why choose TRY?

TRY is the ultimate college prep experience. A study abroad opportunity for 10th-12th grade North American Jewish high school students, and the only one of its kind in Jerusalem! As a fully accredited high school we ensure students meet all academic requirements. TRY students experience every facet of the country - hiking and exploring the land, participating in community service projects, and immersing themselves in nuanced dialogue, Israeli culture and society. Students walk away from TRY feeling more confident and independent, with a stronger connection to Israel and their Judaism.

For more questions, email our Director of Recruitment,  
Sarah Cytryn at [sarah@ramah.co.il](mailto:sarah@ramah.co.il).

**Think Israel. Think Ramah.**
