Our **Second to None** program taps into a second grader's natural sense of curiosity, enthusiasm, and excitement for learning. That is why we offer this unique opportunity to introduce your child to the joy of learning a new language, experiencing Jewish traditions and rituals, and learning the basics of reading Torah.

Classes meet Sundays, 9am – noon, and either Tuesday or Wednesday 4-6 pm.

Come check us out! For more information, or to register, contact Cohen Religious School Director, Alicia Gejman, at agejman@nssbethel.org or call 847-432-8900. Ext. 227.
