

Guidelines for Submitting an Art Exhibit Proposal

The Rissman Kol Ami Collection is a unique collection of Jewish art, artifacts and ritual objects. In addition to preserving significant objects for posterity, the museum seeks to develop programs and exhibitions that are designed to educate the congregation and promote an appreciation for works of Judaica. The exhibition space at NSS Beth El focuses on art with Jewish content.

Your proposal should include:

- Contact information - name, address, phone number, email address, and link to artist website (if available)
- Working title and concept statement for the show
- Specify if you are willing to offer additional programming such as an artist's talk, presentation, or workshop.
- 10-20 good quality images of artwork for the show, each with a title, dimensions (height x width x depth) and media/materials
- Artist résumé or bio.
- Our exhibition schedule is set far in advance. However, it might be helpful to know when the exhibition would be available.
- Kindly email your proposal as one PDF document, 1-2 pages, to Rachel Kamin (rkamin@nssbethel.org). Images and supplemental material can be submitted separately. Your proposal will be reviewed by the Cultural & Learning Center Committee.
