PRESENTS:**

ISRAEL MUSEUM TRUNK SHOW

**SUNDAY, APRIL 26
9:00 AM-2:00 PM**

Since October 7th, the Israel Museum in Jerusalem has faced repeated closures, leading to long periods without visitors or tourism. With the current conflict, the museum is once again closed.

Purchases from this trunk show directly support the museum and the Israeli artists who create these pieces. Each item is inspired by the museum's collections and thoughtfully made in Israel.

**Your support sustains culture, creativity,
and the people behind it during an
incredibly challenging time.**
